

Mission, Vision, Values

Mission Statement

To improve the health and quality of life of people through grant-making and community involvement within the greater Phoenixville community.

VISION STATEMENT

To become the primary voice in the communities of the greater Phoenixville area regarding health issues as they relate to the general population, placing special emphasis on children and youth; the elderly; those with special needs; the uninsured and underinsured who have difficulty accessing adequate and appropriate health care.

VALUE STATEMENT

The Phoenixville Community Health Foundation's activities will be characterized by the following principles:

- Ethical behavior to preserve the public trust
 - Actions accountable to the Foundation's stakeholders
 - Compassion for the communities the Foundation serves
 - Responsiveness and sensitivity to these communities' needs
 - Fair, respectful, honest and professional relations
 - Passion in pursuit of philanthropic excellence
-

OVER-RIDING GOALS

Increase the years of healthy life for Phoenixville area people.

Reduce health disparities among all economic, age, and racial groups in the Phoenixville area.

Achieve access to and awareness of needed prevention and treatment services for all Phoenixville area citizens.

Create a community environment that is safer and more healthful.
